

Senior Rep Program Incentives + Benefits

Andrea Gallagher Photography is looking for Juniors or Seniors graduating in 2013 or 2014 who are interested in being Senior Reps. This program is designed to promote Andrea Gallagher Photography in exchange for free items such as sessions, prints, and discounts.

1-2 students at each high school will have the opportunity to participate in the senior rep program. After you have been chosen, your portrait session will be done earlier in the year so you can start getting the word out. Most seniors have their pictures taken between July and September, so it is important that you show off your pictures and cards to your friends as soon as you get them!

Each card will have my studio name and contact information on it, along with your picture and name. It is important that your friends bring this to their sessions so I can track your referrals. The senior must book and complete a senior session in order for you to receive credit for their referral.

As a Senior Rep, you will receive:

- A free portrait session (must take place between April and July)
- 100 senior rep cards (includes your picture and my studio info)
- 10 Web Images to Share on Facebook with Watermark
- Private Web Gallery for ordering and viewing images
- 10 High Res Images on Disc & Discounted prints for Reps only
- Professional Hair & Makeup for day of shoot is available for small fee

What you can earn:

- \$25 print credit OR (1) set of 8 wallets per referral

In addition to the above, you can earn:

- 5 referrals = \$25 Gift Card to any store in the mall
- 8 referrals = \$75 Gift Card to any store in the mall
- 10 referrals = \$125 Gift Card to any store in the mall OR Cash!

Other Incentives:

- First rep to refer a senior for the year gets a specialty item such as a mini album
- Once the total combined referrals (between all reps) reaches 15, we will have a special party to celebrate this accomplishment!

Other information:

\$100 Deposit is due at secure your session as a Senior Rep. A portion of these funds will be applied to cover your hair and makeup if you choose to use professional services and you will also receive a credit back when you order prints.

Once Andrea Gallagher Photography has completed or spent any time photographing you as a Senior Rep, the deposit becomes non-refundable.

As a Senior who represents *Andrea Gallagher Photography*, we ask that you carry yourself in a positive way. This program is something that takes time and effort to gain referrals. You also must not promote anyone else but Andrea Gallagher Photography as a senior rep. If you agree to the above information please sign below.
