Inclusive Dance Classes
Escondido Center for the Performing Arts
340 N. Escondido Blvd., Escondido
December 7, 2013 – January 18, 2014

Classes for the 6-week Winter Session will be held on Saturday mornings starting December 7, 2013 through January 18, 2014. There will be no class on Saturday December 28, 2013.

All classes are based on the international Royal Academy of Dance Syllabus, and are an organic and holistic approach to dance.

Our classes take place in an exciting and inclusive environment, where special needs and typical students dance together.

Ages 10-15 yrs.: Saturdays 8a.m. to 9a.m. Studio 4.

Musicality, fine and gross motor development, incorporating and distinguishing between various beats and rhythms, using props such as scarves, ribbons, balls, flowers, tambourines and rhythm sticks form the basis of our classes.

Students will also learn Russian and Ukrainian Dancing, which introduces a more theatrical aspect of dancing. The beats and rhythms of character dance further develop a sense of performance and working with partners. **This class is inclusive and suitable for children of all abilities.**

Cost: \$135.00. Registration is accepted on an ongoing basis, and missed classes will be pro-rated.

Ages 5 to 7 years old: Saturdays 9:15a.m. To 10:00a.m. Studio 3.

Come and join us as we explore the wonderful world of dance, music, rhythm and adventure. We will be using tambourines, rhythm sticks, scarves, ribbons and our imaginations as we develop self-confidence, musicality, meet new friends and discover the joy of dance. These are the first two levels of the International Royal Academy of Dance Syllabus and **are inclusive and suitable for children of all abilities.**

Cost: \$120.00. Registration is accepted on an ongoing basis, and missed classes will be pro-rated.

Older Teens & Young Adults: Ages 18 to 30: Saturdays 10:00a.m. to 11:00a.m. Studio 3.

We are very excited to offer this inclusive dance, music and movement class to older teens and young adults. We will continue to develop a wonderful sense of musicality, understanding transfer of weight and movement through space using parallel and horizontal geometric lines, sequencing, as well as a more theatrical approach to creative dance and movement. Social interaction and the art of making lasting friendships will form a strong basis for our class. **This class is inclusive and suitable for students of all abilities.**

Cost: \$135.00. Registration is accepted on an ongoing basis, and missed classes will be pro-rated.
